International Day at Faculty 5

November 24, 2022

Organized by the Faculty's International Service Point (ISP)

With the **1st International Day of Faculty 5**, we want to **bring together international and German students, researchers and other interested members of the faculty,** inform about different internationalization-related topics and increase the visibility of our faculty's international atmosphere.

✓ Meet international and German students.

✓ Learn more about your options to study abroad.

✓ Prepare yourself for a career start as international in Germany.

✓ Discover innovative projects and talk to fascinating researchers from our new partner universities around the world.

Looking forward to seeing you at the Faculty's International Day!
