Going abroad with Erasmus+

and other exchange
opportunities at Faculty 5

2023

Erasmus+
Enriching lives, opening minds.

Higher Education

**27 countries:
EU countries
+ Norway,
Iceland,
Lichtenstein,
Republic of
Northern
Macedonia,
Republic of
Turkey and
Republic of
Serbia**

**Since 1987:
Participation
of
approximately
4 million
students**

Erasmus+
Enriching lives, opening minds.

Studying abroad with Erasmus+

Who is responsible for what?

- [International Office](#): Information sessions, Mobility-Online, administration of the Erasmus documents, Erasmus+ scholarship
- **Erasmus coordinator at your department**: Application, Learning Agreement, recognition of the courses, information about the partner institutions
- [Language center](#): Linguistic preparation

Studying abroad with Erasmus+

First information

- Which institution is the right one for me?
- When should I go abroad? (Bachelor or Master)? How long?
- Do the semester times fit?
- Which courses can I take?
- How does it work with the recognition of courses?

**Get information
in advance!**

(about one year
before the start of
your stay)!!

Studying abroad with Erasmus+

Who can participate? When can I go?

- Stay at the host institution: possible from the 3rd semester (Bachelor)
- Length of the stay: 1 to 2 semester – max.12 months possible per study cycle
- You should be enrolled at University of Stuttgart during your whole stay abroad
- No restrictions concerning your nationality
- „Best semester“ for going abroad? No restrictions but it depends of your study degree

Studying abroad with Erasmus+

Tuition fees

- No tuition fees at the host institution
- You pay the fees at the University of Stuttgart
- Possibility to take a „leave of absence“ (*Beurlaubung*) under certain conditions

Studying abroad with Erasmus+

Language requirements

Basic rule:

If the language of the courses = Englisch, min. B2 requested

Other languages: min. B1

Examples:

- France: Englisch B2, French depending on the host institution (max. B1)
- Norway, Poland, Sweden: B2 Englisch
- Spain: B2 English, Spanish depending on the host institution (max. B2)

Important: Information about language requirements on the website of the International Office of the host institution.

©Oliver Reetz/DAAD

It is always advisable to attend a language course in the local language before going abroad!

Partner institutions at Faculty 5

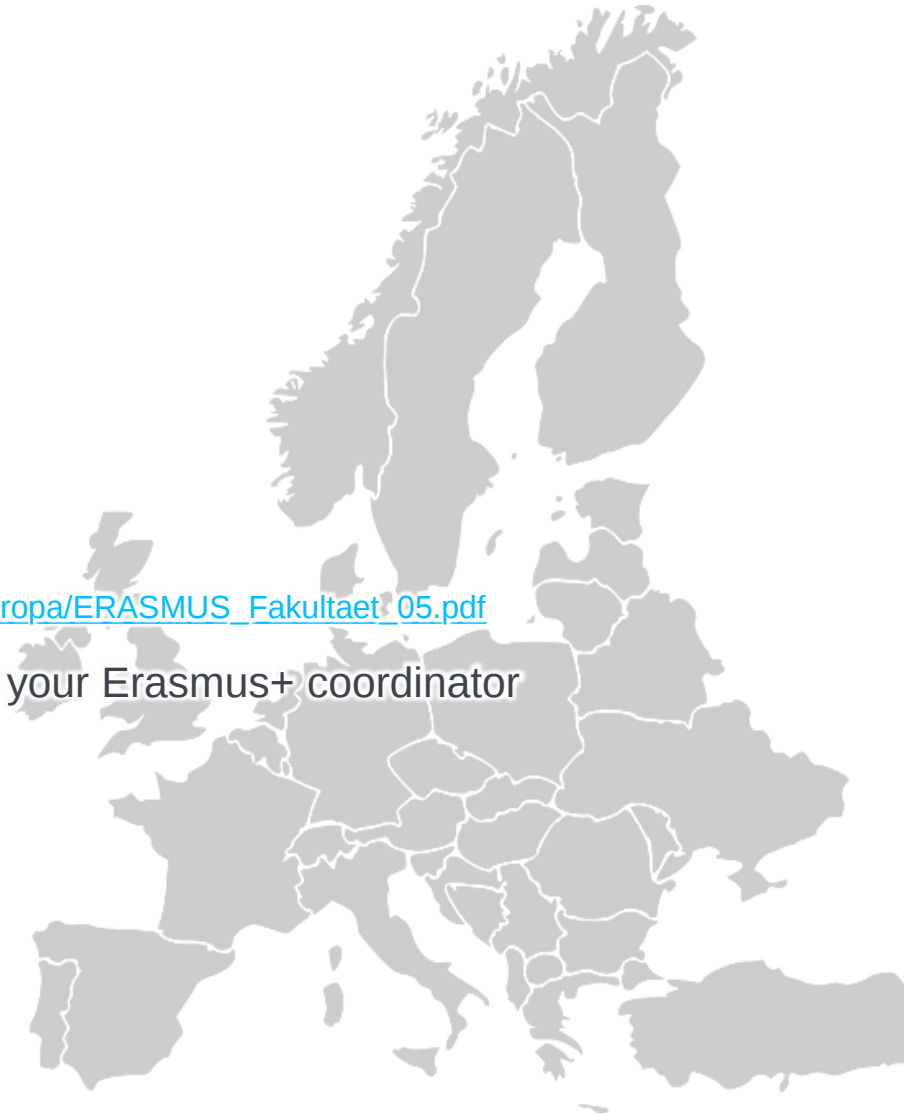

Studying abroad with Erasmus+

Partner institutions of Faculty 5

- 47 partner institutions in 14 countries
- **Limited number of places at each institution**
- List of the partner institutions:

https://www.student.uni-stuttgart.de/auslandsstudium/document/Europa/ERASMUS_Fakultaet_05.pdf

- Profile of the partner institutions: Please contact your Erasmus+ coordinator

Erasmus+

Application and Selection

Studying abroad with Erasmus+

Before you apply

- Information sessions of the International Office
- Information about the requirements of the partner institutions = Erasmus+ coordinator at your department
- [Testimonials](#)

Studying abroad with Erasmus+

Application: which documents should I prepare?

- [Priority list](#)
- Motivation letter
- CV
- Current transcript of records from C@mpus
- Proof of Language
- All files sent by email

to the Erasmus+ coordinator of the first priority

Application deadlines:

January 15 for the next
winter semester and/or
Summer semester

June 15 (remaining
places for the next
summer semester ONLY)

Studying abroad with Erasmus+

Nomination of the candidates and follow-up

1) Selection at the Department

Selection criteria for the ranking of applicants:

- Academic performances
- Language skills
- Motivation
- Interests and activities in and around studies (commitment)

2) Nomination at International Office

→ Nomination at host institution (by International Office)

3) Application at host university

→ Acceptance at host institution

Intensive support from
the different actors

**You're not alone!!
BUT...
engagement is
required!!**

Academic Issues

Studying abroad with Erasmus+ Learning Agreement

- Study contract between the student, the University of Stuttgart and the host institution
- Determines which modules can be completed at the host institution
- and later recognized at the home university
- At least **15 ECTS** per Semester
- The Learning agreement can be modified on site

©Christian Hüller / DAAD

Studying abroad with Erasmus+

Recognition of courses

- Possibility to have some courses you take abroad recognized at the University of Stuttgart
- Recognition is not mandatory!
- The LA determines which modules can be completed at the host institution and later recognized at the home university
- Please contact the Erasmus* coordinator for more information = Coordinators will sign the LA

**Doing an internship
abroad with
Erasmus+**

Internship abroad with Erasmus+

Internships can be financially supported by Erasmus+
(about 150€ extra per month than Erasmus+ for studies)

Requirements and deadlines:

- You have to find an internship at a company by yourself
- Only voluntary internship acceptable
- You are responsible for your insurances (not the University!)
- Application for Erasmus scholarship 4 weeks in advance
- Stay at least two months, at most 12 months
- **Also possible after graduation**
- **Erasmus+ program internships organized by the HS Karlsruhe**

All information on the website [KOOR/BEST](https://www.koor/best)

**More opportunities
to go abroad**
