

# Welcome to the University of Stuttgart first-year students introduction

David Sawatzke, Maximiliane Waldecker, Manuel Buchfink,  
Zalak Shah

Fachgruppe Elektrotechnik und Informationstechnik

April 8th 2022

# Fachschaft

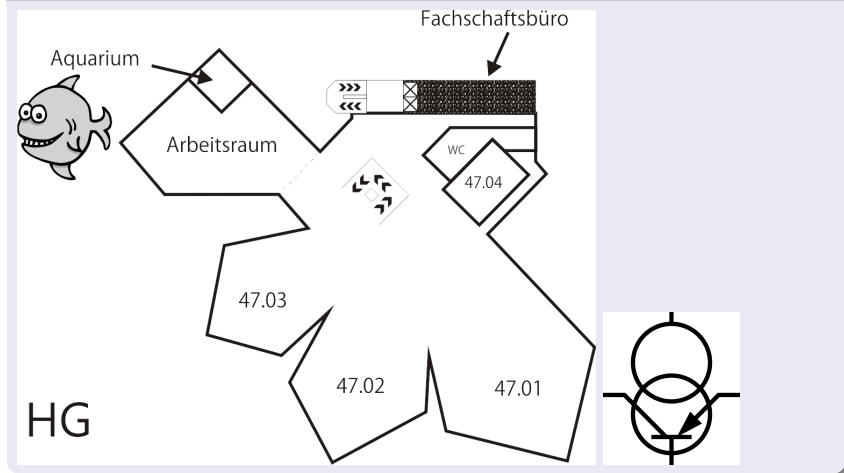

## Students like you

## What does the Fachschaft do?

- Representation of student interests in official councils
- Service (Old exams for printing, Answering Questions, Job Mailing List, ...)
- Your first stop for questions
- eMotions Party with up to 2500 guests
- Lockers
- Administration of the StudLab
- Mailinglists for important information
- **Meeting every monday at 13:05 in our office!**

## Where to find us

## Electronics Lab for Students

- Administrated by the Fachschaft and Prof. Kallfass
- Space for private projects
- Very good equipment for soldering, measuring, assembly and 3D-printing
- Signup (with proof of safety training) at [www.studlab.de](http://www.studlab.de)

## eMotions

Our student party with up to 2500 guests

## Weekend

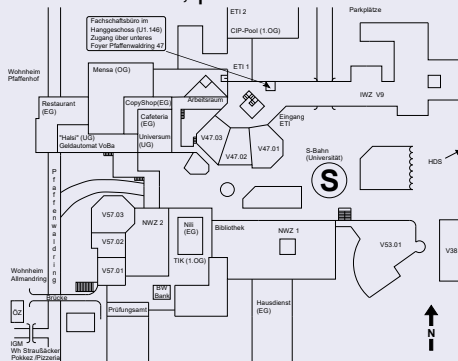

Spend a weekend with your fellow students

# Tour of the Campus

## Tour of the Campus

After the introduction we'll give interested students a tour of the campus. If you're interested, please wait near the lower exit.

# Mailinglist

## Mailinglist

<http://www.fs-ei.de/maillist/2022/msc-f-int.php>

# Questions?

## Questions, problems, worries?

- Contact us via email
- Just walk in
