

All applicants for M.Sc. Electrical Engineering will be required to upload a **valid** proof of a working knowledge of the English language of at least level C1 **before** the application deadline.

Accepted proofs are:

- TOEFL iBT 95 points TOEFL
- IELTS band 7.0 or better (academic)
- Cambridge ESOL CAE/CPE University of Cambridge ESOL exams
- MoI (If the undergraduate studies of at *least 6 semester terms* have been entirely held in English language, it is sufficient to provide a certification from the university).
- Other *acknowledged certificate* of C1 level *according to CEFR*

The uploaded certificate has to be valid at least **until** the application deadline (15<sup>th</sup> of January/July).

Please note, that most certificates, e.g. TOEFL-certificate, IELTS-certificate etc. are only valid for two years.

**Due to the ongoing Corona pandemic** our admission commission will also accept the following proofs until 15<sup>th</sup> of January 2024.

- TOEFL iBT Special Home Edition 95 points TOEFL (if valid at least **until** the application deadline)
- IELTS Indicator 7.0 or better (academic)
