

Guidelines for the Admission Regulations for the (English) Master's Program Electrical Engineering

Version of 1st February 2018

Procedure for determining the subject-specific eligibility:

1. The admissions commission assesses the proven subject-specific competences and the examinations performed so far on a scale of 0 to 120 points.
2. The admissions commission awards 0 to 80 points for the proven subject-specific competences according to Article 1, Paragraph 1 of the admission regulation.
3. For every tenth grade that the Bachelor's degree is better than 3.0, the applicant will receive two points. The maximum score is 40 points.
4. The points from nos. 2 and 3 are added. Applicants who achieve more than 75 points are eligible¹ for the program. Applicants who score less than 76 points are not eligible for the program and can subsequently not be admitted to the program.

¹ Subject-specific eligibility only. Administrative and legal issues are considered by the admissions office.
