

## **ELLIS Unit Stuttgart Distinguished Lecture Series**

Prof. Andreas Bulling

Prof. Ingo Steinwart

Dr. Katrin Fauß

This seminar is part of the ELLIS Unit Stuttgart Distinguished Lecture Series. Topics covered in the lectures range from all 4 ELLIS Unit Stuttgart's research Areas: Interactive Intelligent Systems, Natural and Programming Language Processing, Learning Theory, and Robot Learning ([www.ellis-stuttgart.eu](http://www.ellis-stuttgart.eu)).

Attendance in each lecture is mandatory. After each lecture students have to hand in a 1 page summary/report of the lecture. Each report has to be submitted until 1 week after the respective lecture.
