

Universität Stuttgart
International Office – Global Mobility

The background of the slide is a photograph of a person with long dark hair, seen from behind, looking out over a city skyline at sunset. The city is illuminated by the warm light of the setting sun, and the sea is visible in the distance. A blue and white checkered tower is visible on the right side of the image.

Info Session on Study and Internship Abroad

Planning of a stay abroad

Start your planning 12 – 18 months before your stay abroad

– depending on region / host country. Think about:

- Timing
- Region / host country
- Language skills
- Financing
- Application deadlines and documents
- Organisational matters (e.g. visa, accommodation)
- Recognition of study achievements abroad

Info Session on Study and Internship Abroad

Timing of a stay abroad

- **Bachelor** – depending on region / host country, after completing your orientation exams
- **Master** – possible from the 1st semester

You can obtain recommendations for your study program from your program manager, academic counselor or Erasmus+ departmental coordinator.

Info Session on Study and Internship Abroad
