Erasmus+

Enriching lives, opening minds.

Studying abroad with Erasmus+

Who is responsible for what?

- [International Office](#): group consultation, Mobility-Online, administration of the Erasmus documents, Erasmus+ scholarship
- **Erasmus coordinator at the Department**: Application, Learning Agreement, recognition of the courses, information about the partner institutions
- [Language center](#): Linguistic preparation

Studying abroad with Erasmus+

First information

Inform yourself in advance (about 1 Jahr before the start of your stay)!!

- Which institution is the right for me?
- When should I go abroad? (Bachelor or Master)? How long?
- Do the semester times fit?
- Which courses can I take?
- How does it work with the recognition of the courses?

Studying abroad with Erasmus+

Who can participate? When can I go?

- Erasmus+ stay possible from the im 3. Semester (Bachelor)
- Length of the stay abroad: 1 to 2 Semester – max.12 months possible per study cycle
- You should be registered at University of Stuttgart during your whole stay
- No restrictions concerning your nationality
- „Best semester“ for going abroad? No restrictions but it depends of your study degree

Studying abroad with Erasmus+

Tuition fees

- No tuition fees abroad
- You pay the fees at the University of Stuttgart
- Possibility to take a „leave of absence“ under certain conditions

Studying abroad with Erasmus+

Language requirements

Basic rule: If the language of the courses = Englisch, min. B2 requested
Other languages: min. B1

Examples:

- France: Englisch B2, French depending on the partner institution (max. B1)
- Norway: B2 Englisch
- Poland: B2 English
- Sweden: English B2
- Spain: B2 English, Spanish depending on the partner institution (max. B2)

Important: Information about language requirements on the website of the International Office of the host institution.

It is always advisable to attend a language course in the local language before going abroad!

Studying abroad with Erasmus+

- **CV**
- **Current transcript of records** from C@mpus
- **Proof of Language**
- **All files sent by email** to the Erasmus+ coordinator of the first priority

Application deadlines:

January 15 for the next winter semester and/or Summer semester

June 15 (remaining places for the next summer semester)

Studying abroad with Erasmus+

Nomination of the candidates and follow-up

1) Selection at the Department

Selection criteria for the ranking of applicants:

- Academic performances
- Language skills
- Motivation
- Interests and activities in and around studies (commitment)

2) Nomination at International Office

→ Nomination at host institution (by International Office)

3) Application at host university

→ Acceptance at host institution

Intensiv support from
the differents actors

You're not alone!!
BUT...
Engagement is
required!!

Studying abroad with Erasmus+

Learning Agreement and recognition of the courses

Learning Agreement:

- Study contract between the student, the University of Stuttgart and the host institution
- Determines which modules can be completed at the host university and later recognized at the home university
- The Learning agreement lists all courses you take at the host institution
- At least **15 ECTS** per Semester
- The Learning agreement can be modified on site

Recognition at the University of Stuttgart:

Determine which modules can be completed at the host university and later recognized at the home university

Studying abroad with Erasmus+

Recognition of the courses

- Possibility to have some courses you take abroad recognized at the University of Stuttgart
- Recognition is not mandatory!
- The LA determines which modules can be completed at the guest institution and later recognized at the home university
- Please contact the Erasmus* coordinator for more information = Coordinators will sign the LA

Internship abroad with Erasmus+

- **Internships can be financially supported by Erasmus+** (*about 150€ more per month than Erasmus+ for studies*)

Requirements and deadlines:

- You have to find an internship at a company by yourself
- Only voluntary internship acceptable
- You are responsible for your insurances (not the University!)
- Application for Erasmus scholarship 4 weeks before
- Stay at least two months, at most 12 months

- **Also possible after graduation**
- **Erasmus+ program internships organized by the HS Karlsruhe**
